

School - Home Connection Thematic Mapping Nursery

Jan - Mar 2023
(2022-23)
Unit 3

Dear Parents!

Our integrated, activity-based approach adds even more meaning to learning, making it adaptable and flexible as well as applicable to real life. It saves the learners from the rut of rote and compartmentalised learning, encouraging them not to lose sight of the 'bigger picture'.

NURTURE JUNIOR Integrated Thematic Study encourages learning and enhances achievement. It allows children to understand the interrelatedness not just of subjects that they study, but also of each component of the world.

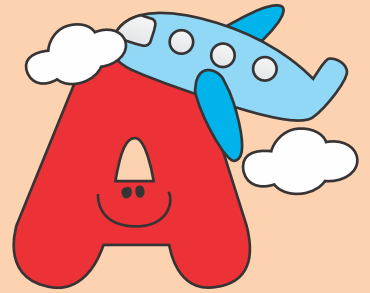

'Jungle Book!' is a theme that is particularly enjoyable for the students as it is based on animals loved by the children. Through this theme they learn language and numeracy as well as get acquainted with the world around them. They also improve their co-ordination and motor skills while imbibing valuable life skills.

EXPECTED LEARNING OUTCOMES

LANGUAGE SKILLS

To develop the ability to

1. recognize various phonetic sounds (a-z).
2. recognize letters (Aa-Zz).
3. listen to stories attentively and answer related questions.
4. match upper case with lower case.
5. pick up new words and identify their initial sounds.
6. match sounds with pictures.
7. use writing tools with control.
8. listen to other children in a group situation/discussions.
9. use simple sentences in English for basic conversation.
10. talk about his / her school, home.
11. write lower and upper case letters (Aa-Zz).
12. recognize व्यंजन (क-ह)
13. speak simple sentences in English.
14. learn few more simple words of a foreign language.

COGNITIVE SKILLS

To develop the ability to

1. understand and manipulate Numbers.
 - a) Count by rote (1-50)
 - b) Count objects upto 20
 - c) Recognize numbers (1-20)
 - d) Count and match objects with numbers (1 - 20)
 - e) Write numbers (1-20)
 - f) Write backward counting(10-1)
 - g) Count and draw objects (1 - 20)
 - h) Count and write (1-20)
 - i) Fill in the missing numbers (1 - 20)
 - j) Write nos. 1 - 20 by dodging
 - k) Write the numbers that come after, before and between the given numbers
2. identify / discriminate between different colours and name objects of a particular colour.
3. make simple comparisons by sorting, matching and pairing (Left-Right, Heavy-Light) etc.
4. identify /discriminate between different shapes.

THINKING SKILLS

To further develop the ability to

1. sort, match and pair.
2. arrange pictures / objects in a given sequence.
3. arrange numbers and letters of the alphabet in correct order.
4. lace given patterns on Fish Fun.

EVS (Knowledge and Understanding of the World)

To develop the ability to

1. enhance interest and curiosity in the surroundings.
2. collect information and material from the surroundings .
3. participate in activities and experiments related to environmental concepts.
4. enhance awareness about different Days and Festivals.
5. create awareness about Seasons.
6. further enhance awareness about a Foreign Country.
7. recognise Domestic, Wild and Water animals and know about their young ones.

IT SKILLS

1. To enhance the knowledge about different tools in paint window.

VALUE BASED EDUCATION

To develop and enhance

1. the ability to say the prayers independently.
2. awareness about general hygiene.
3. good eating habits.
4. basic values like respecting elders, helping the poor, sharing etc.
5. the knowledge of important festivals & days i.e. Republic Day, Lohri, Holi, Basant Panchmi, etc.

PHYSICAL EDUCATION

To further enhance

1. the ability to identify the positive effects of physical activity.
2. the characteristics of good sportsmanship.

HYGIENE AND NUTRITION

To further enhance

1. awareness about personal hygiene
2. healthy eating habits

CREATIVE AND EXPRESSIVE ART

To develop the ability to

1. use drawing tools and draw objects on his / her own.
2. enjoy musical activities.
3. sing simple songs and rhymes with action.
4. dramatize and act out allotted roles.
5. tell stories in simple language.
6. do free hand drawing of shapes.
7. speak on mic.

LEARNING STATIONS

LANGUAGE STATION(Alphabet Trail Book-3)

(Listening, Speaking, Reading and Writing)

1. Recapitulation of sounds (a-z) through phonic drills, flash cards etc.
 - a. Games and activities like 'Tell me the initial and the last sound', Match the picture to its respective letter, Sound Race, Jump in the Pond, Passing the Parcel, Musical Chairs, Find the Partner etc to reinforce phonetic sounds and phonograms.
 - b. Sound stories with the help of Puppets, Board drawings, Charts and Masks
 - c. Sight reading and picture reading
 - d. Show and Tell to enhance speaking skills etc.
2. Free hand drawing of pictures of various sound words
3. Writing (a- z & A - Z)
4. Worksheets on related topics
5. Alphabet Trail Book -3
6. Greetings, courtesies and simple conversation in English

Rhymes

As per the theme booklet

Stories

- The Fox and the Grapes/खट्ठे अँगूर
- The Lost Toy
- Three Billy Goats
- The Monkey and the Crocodile\

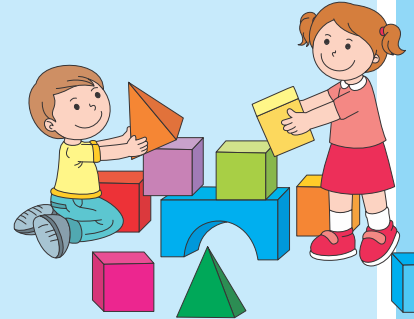

Foreign Language Class

Recap of all the French words done in Unit I & II

COGNITIVE STATION (Number Play Book-3)

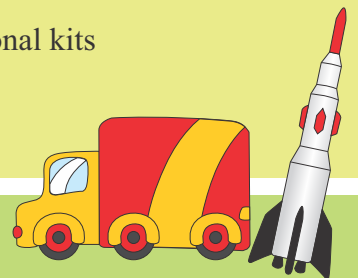

1. Number Concepts
 - i) Worksheets and activities based on number concepts
 - ii) Following games will be played to reinforce the Number Concepts.
 - Jump in the Pond

- Puzzle Card Game
 - Musical Chairs
 - Passing the Parcel
 - Fire in the Mountain
 - Number Hopscotch
 - Number Walk
 - Find the Partner
- 2) Following activities would be taken up to reinforce Primary and Secondary Colours.
- Colour Day
 - Colour Race
 - Colour Hunt
 - What's my Colour?
 - Colour Sorting
 - Tippi, Tippi, Tap
 - I Spy
 - Educational toys and kits
- 3) Comparisons
- Right - Left, Heavy - Light
 - Games to enhance the understanding of these topics - Jump in the Pond, Race etc.
 - Creative activities to reinforce these concepts - Drawing and Colouring, Plasticine etc.
 - Educational toys and kits etc.
 - Number Play Book 3
- 4) Reinforcement of Shapes
- Making shapes with plasticine, match - sticks and in the sand pit.
 - Games like :Shape Walk, Shape Race, Jump in the Pond, Shape Station, Play and Learn Board, Feel and Tell the Shapes, Tracing of shapes, Free-hand drawing and colouring of shapes, Shape Train, Mystery Bag etc.
- 5) Stories based on the concepts

THINKING STATION

1. Matching, sorting and pairing of given objects according to shape, size and colour. Activities like Dal Sorting, Bead Sorting, Matching related pictures, Shape Train, Ladder Game etc.
2. Arranging pictures / objects in a given sequence using Educational kits
3. Arranging letters and numbers in a sequence
4. Playing memory games
5. Lacing given patterns on Fish Fun

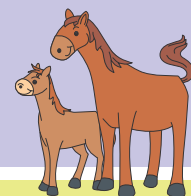

EVS STATION (Theme Book-3 'Jungle Book')

January - Theme of the month

Animals around us

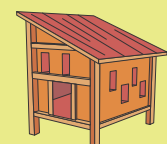

- Identification of different farm animals, animals in the park and animals around us
- Recognition of animal homes, their food and their babies
- Identification of their body parts
- Role play and dramatization related to the topic
- Riddles on animals

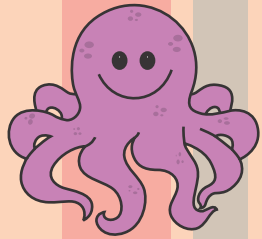

February - Theme of the month

Jungle animals and animals in the zoo

- Identification of Jungle animals
- Recognition of their body parts
- Identification of their homes
- Role Play and dramatization related to the topic
- Riddles on Jungle animals

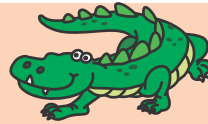

March - Theme of the month

Water animals and animals in the sky

- Identification of animals living in water
- Recognition of birds that fly
- Role play and dramatization related to the topic
- Riddles on animals in water and sky
- Field Trips

Festivals and important days

- Awareness about the main festivals of Winter Season – Lohri, Republic Day, Maha Shivratri, Holi, Basant Panchami
- Significance of these festivals and how they are celebrated
- Stories based on these festivals
- Creative activities related to these festivals

Our World – Foreign Country - United Kingdom

Recapitulation of topics covered in Unit I and II, monuments and festivals of UK.

COMPUTER

Practical use of Line, Air brush and Fill with Colour Tool in Paint Window

VALUE BASED EDUCATION

1. Various activities like story telling, dramatization etc to inculcate the habit of sharing and greeting
2. Celebration of different festivals to understand their importance

HYGIENE AND NUTRITION

1. 'Friday Specials', 'Fruit Break' and 'Table Manners' to inculcate healthy and good eating habits.
2. Personal Grooming for Personality Development

PHYSICAL EDUCATION

Participation in activities that promote health

CREATIVE AND EXPRESSIVE ART

Art and Craft

1. Imaginative drawing
2. Colouring within a figure
3. Worksheets for colouring and creative work
4. Collage making
5. Tearing and Pasting
6. Freehand drawing
7. Making cards for Holi

Rhythm and Movement

1. Singing rhymes with actions
2. Dancing to music

Role-play and Dramatization

CO-CURRICULAR ACTIVITIES As and when organised in the school

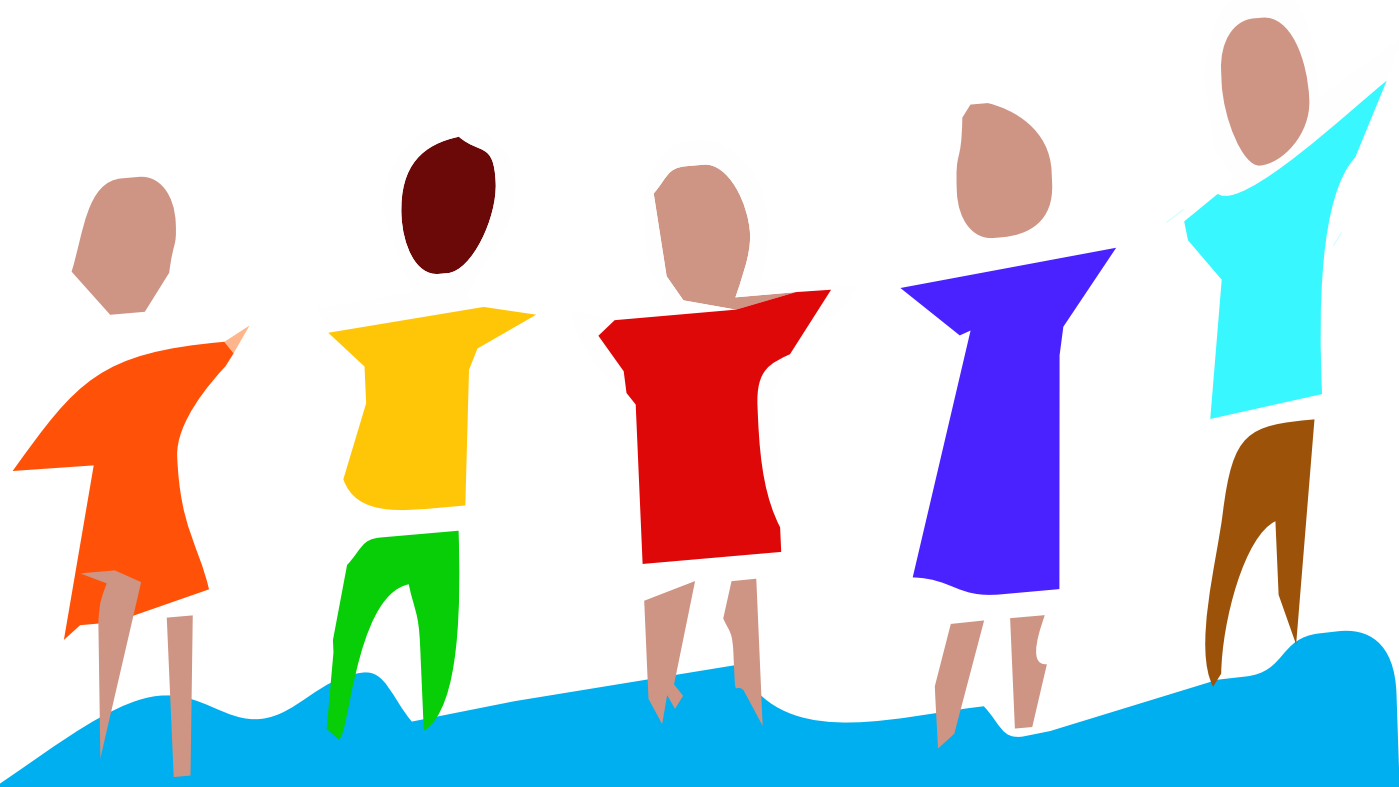

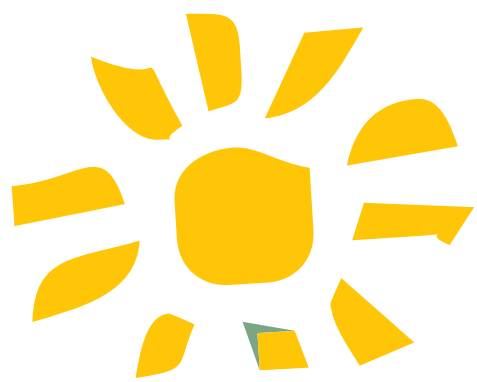

Related work in work books will be done in all subjects. Creative and interesting Work sheets will be designed to enhance their knowledge. Educational e-modules and the Interactive Board will be used to reinforce what has already been taught in the class for various concepts. Related Field Trips, where ever possible would also be planned.

We will do various hands on learning activities, play fun filled games, undertake investigation and demonstrations to make our students joyful learners.

Subject to change depending upon the prevailing circumstances

School - Home Connection Thematic Mapping KG

Jan - Mar 2023
(2022-23)

Unit 3

AIMS & OBJECTIVES

LANGUAGE SKILLS (English & Hindi)

To develop the ability to

1. follow simple commands and instructions.
2. recognize and discriminate between vowel sounds 'a', 'e', 'i', 'o', 'u'.
3. understand and narrate stories.
4. recite rhymes with actions.
5. take dictation of three letter words with vowel sounds 'a', 'e', 'i', 'o', 'u'.
6. write phrases and sentences with vowel sound words.
7. read sight words - with, is, the, has, in, and, a, for, are, have, this, that, these, which, those, says, cannot etc..

13. speak few sentences on a given topic.
14. identify and write 'Swars'.
15. learn few more simple words in a foreign language and use them in daily conversation.

COGNITIVE SKILLS

To develop the ability to

1. subtract Numbers using a Number Line.
2. do vertical subtraction with and without objects.
3. recapitulate basic concepts of comparison – High and Low, Narrow and Wide, Deep and Shallow, Tall and Short, Heavy and Light.
4. recognise shapes - Trapezoid, Octagon and Hexagon.

THINKING SKILLS

To develop

1. the ability to classify and match.
2. the ability to sequence according to size.
3. and enhance memory skills.
4. the ability to recall and relate own personal experiences.

EVS (Knowledge and Understanding of the World)

To develop and enhance

1. interest and curiosity in surroundings.
2. the ability to collect information from environment.
3. awareness about Transportation.
4. awareness about any one country of the world.

IT SKILLS

To develop

1. knowledge and awareness about the use of line and air brush

VALUE BASED EDUCATION

To develop and enhance

1. the ability to say the prayers independently.
2. awareness about general hygiene.
3. good eating habits.
4. basic values like respecting elders, helping the poor, sharing etc.
5. knowledge about important festivals and days i.e. Lohri, Republic Day, Basant Panchmi, Maha Shivratri and Holi etc.

PHYSICAL EDUCATION

To develop and enhance

1. active participation in indoor and outdoor activities
2. the ability to do simple exercises

HYGIENE AND NUTRITION

To develop

1. good and healthy eating habits
2. awareness about self grooming

CREATIVE AND EXPRESSIVE ART

To further develop the ability to

1. draw on a given topic.
2. work independently with a variety of drawing tools.
3. use imagination to create something new out of given material.

LEARNING CORNERS

LANGUAGE CORNER (ENGLISH & HINDI)

1. Sound Stories and the given stories will be told with the help of masks, puppets and charts etc.
The Clever Crow जादुई गधा
The Dove and the Ant मूर्ख लोमड़ी
The Fox and the Stalk
2. Rhymes and Songs through actions (as per the booklet given)
3. Different games related to the topics e.g. Riddles, Chinese Whisper, Memory Games, Vowel Race, Picture Talk, Island Game, Odd One Out, Tambola, Be Quick, Fire in the Mountain etc will be played to enhance language skills.
4. Drawing pictures after listening to stories
5. Dramatization
6. 'Show and Tell' activity to develop speaking skills

Foreign Language Class

Recap of all the French words done in Unit I and Unit II

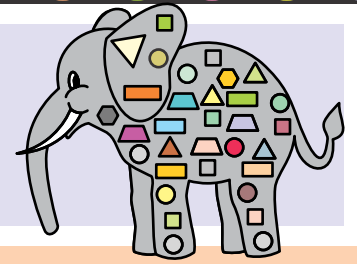

COGNITIVE CORNER (Book 3- Math Works)

1. Different games- Fire in the Mountain, Team Game, Call the Number, Be Quick etc. will be played to enhance cognitive skills.
2. Subtraction on Number Line
3. Vertical Subtraction
4. Horizontal Subtraction

THINKING CORNER

1. Sequencing according to size, shape etc.
2. Fixing puzzles
3. Memory games
4. Joining sets

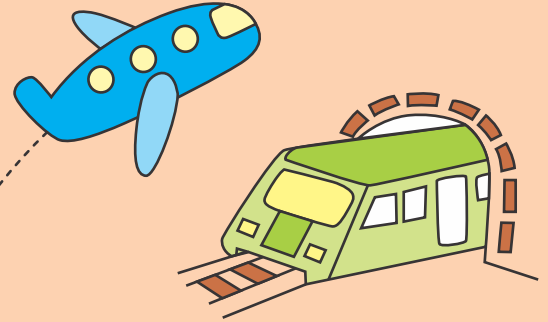

EVS CORNER (Knowledge and Understanding of the World) Book - On The Go

January - Theme of the month

Land Transport

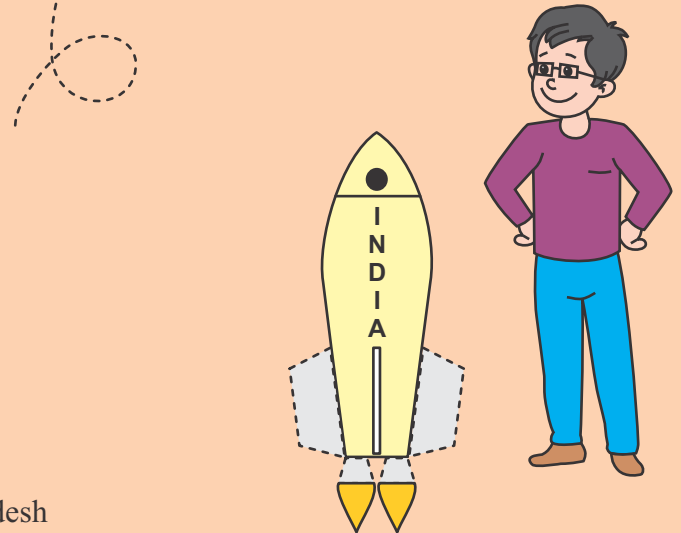

- Railway Station, Metro Station, Train, Metro
- Vehicles on Road
- Types of Vehicles
- Traffic Rules
- Traffic Light and Signs
- Drivers of the given vehicles
- Related Activities and Rhymes

February - Theme of the month

Air Transport

- Rules to be followed at Airports
- Taking off and landing of an Airplane
- Rockets and Space Crafts
- Who flies an Airplane?
- Related Activities and Rhymes

March - Theme of the month

Water Transport

- Submarines, Boats, Ships, Hovercrafts
- Related Rhymes

India (Indian States)

- a) Kerala b) Assam c) Andhra Pradesh
Show and Tell related to States

Our World – Foreign Country - France

Recapitulation of topics covered in Unit I and II and food and sports in France.

Festivals/Important Days

- Awareness about the main festivals of Winter Season – Lohri, Republic Day, Basant Panchami, Maha Shivratri and Holi
- Significance of these festivals and how they are celebrated
- Stories based on these festivals
- Creative activities related to these festivals

IT CORNER

Drawing pictures using different tools of MS - Paint

VALUE BASED EDUCATION

1. Various activities like story telling, dramatization etc to inculcate the habit of sharing and greeting, being honest and truthful
2. Celebration of different festivals and days to tell their importance

PHYSICAL EDUCATION

Participation in various outdoor games and activities.

HYGIENE AND NUTRITION

1. 'Friday Specials', 'Fruit Break' and 'Table Manners' to inculcate healthy and good eating habits
2. Personal Grooming for Personality Development

CREATIVE AND EXPRESSIVE ART CORNER

Art & Craft

1. Look and Draw
2. Leaf and vegetable printing
3. Flower with brush painting
4. Step by Step Drawing

Music & Dance

1. Singing songs and rhymes
2. Patriotic songs and Folk songs
3. Dancing in rhythm to recorded music
4. Slow and fast dance movements understanding beat and rhythm

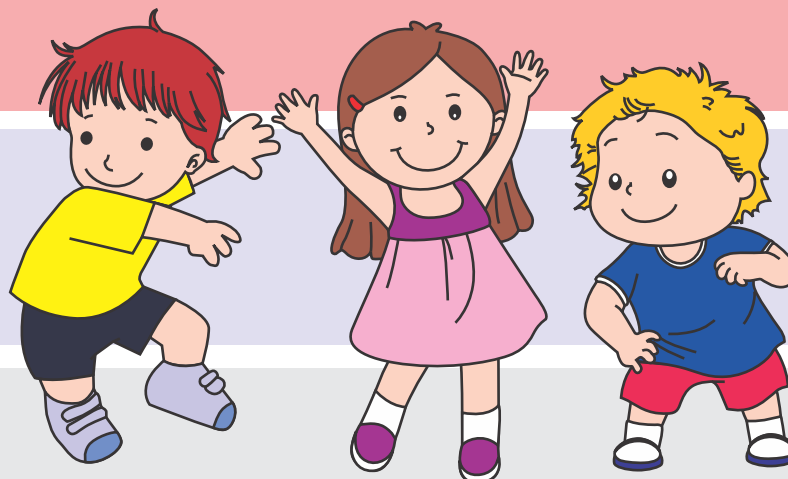

Role-play and Dramatization

CO-CURRICULAR ACTIVITIES As and when organised in the school.

Related work in work books will be done in all subjects. Creative and interesting Work sheets will be designed to enhance their knowledge. Educational e-modules and the Interactive Board will be used to reinforce what has already been taught in the class for various concepts. Related Field Trips, where ever possible, would also be planned.

We will do various hands on learning activities, play fun filled games, undertake investigation and demonstrations to make our students joyful learners.

Subject to change depending upon the prevailing circumstances.

School - Home Connection Thematic Mapping Grade I

Jan - Mar 2023
(2022-23)

Unit 3

AIMS & OBJECTIVES

LANGUAGE SKILLS (English & Hindi)

To enhance the knowledge of

- a) the four basic skills of language i.e. Reading, Writing, Listening and Speaking.
- b) Matras.

To develop the ability to

- a) comprehend the given pictures.
- b) understand describing words, opposites and prepositions.
- c) do comprehension passage and supplementary reading on ppts.
- d) express self on a given topic or word.
- e) frame sentences on a given topic or words with all the matras already done.
- f) understand and use गिनती, वचन, लिंग, विलोम शब्द, समान तुक वाले शब्द
- g) learn few more simple phrases in a Foreign language and use them in daily conversation.

COGNITIVE SKILLS

To develop the ability to

- a) apply the concept of Ordering Objects, Measurement, Skip Counting, Time, Pictographs, Calendar and Fractions.

EVS (Knowledge and Understanding of the World)(Plants and Animals)

To develop

- a) awareness about plants and animals.
- b) the spirit of experimentation.
- c) the ability to read and observe the environment.
- d) interest in related discussions, activities and experiments.
- e) awareness about any one country of the world (Australia).

THINKING SKILLS

To develop and enhance

- a) good memory skills.
- b) the ability to think logically and apply the knowledge gained.

IT SKILLS

To develop and enhance

- a) awareness about different tools in MS Paint.

CREATIVE AND EXPRESSIVE ART

To develop

- interest in art and craft activities.
- the ability to follow tune and rhythm while singing and dancing.
- the qualities of observation, imagination and self expression.
- confidence while working with a variety of materials and tools.

HYGIENE AND NUTRITION

To develop

- good eating habits
- awareness on self grooming

VALUE BASED EDUCATION

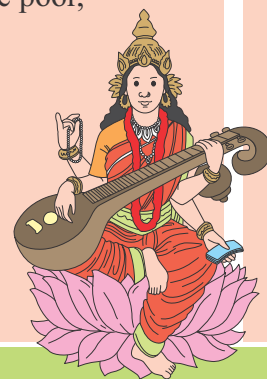

To develop and enhance

- basic values like respecting others, their feelings and property, helping the poor, sharing and honesty etc.
- knowledge about important festivals i.e. Lohri, Republic Day, Basant Panchami, Maha Shivratri, Makar Sakranti and Holi etc.

PHYSICAL EDUCATION

To develop and enhance

- participation in outdoor activities
- the positive effects of physical activity

LEARNING CORNERS

LANGUAGE CORNER (ENGLISH & HINDI)

- Language Talk Book-3, Stories, Worksheets, Supplementary Reading etc.
- Activities to enhance reading skills - reading 'Thought of the Day' and explaining it, sight words, reading lessons, story books.
- Games to learn spelling such as 'Word Building', 'Sentence Making Puzzle', 'Passing the Parcel', 'Word Train', 'Clap for your Matras' etc.
- Presentations during the assembly, class discussions, picture reading, Show and Tell activity etc to enhance speaking skills
- Picture Reading
- Framing sentences using a given word and writing a few lines on a given topic
- भाषा शैली (अध्ययन पुस्तिका-3)

Page - 3 to 16 (Reading)

(अध्ययन पुस्तिका-3)

व्याकरण – गिनती, वचन, लिंग, विलोम शब्द, समान तुक वाले शब्द

अभ्यास – मेरा परिचय, चित्र वर्णन, दिन, महीने

Foreign language class

Simple courtesies in French like – Je suis desole (I am sorry), Bon effort (Good effort), Bon courage (Good luck) and recap of all the words done in unit I and II

COGNITIVE CORNER

- Introduction to the concept of Time, Measurement, Fractions, Calendar Ordering Objects, Skip Counting by 2s, 3s, 4s, 5s, 10s, Pictograph Fun
- Sharing of objects, grouping, dividing the things equally
- Math Hour Book - 3

THINKING CORNER

Games to enhance the sequencing, thinking and mental ability of the child will be played like :-

1. Word building
2. What is missing ?
3. Memory game
4. Riddles
5. Make a Guess

EVS CORNER (Knowledge and Understanding of the World)

The World of Plants and Animals (Book 3)

Experiments and activities related to Plants and Animals

Activities

- a) Experiments related to the topics
- b) Field trips, PPT etc.

Our World – Foreign Country - Australia

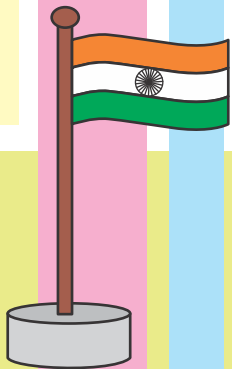

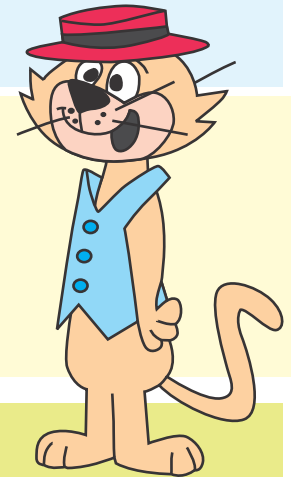

Recapitulation of topics covered in Unit I and Unit II, climate, famous personalities of Australia

Festivals and Important Days

- 1) Awareness about the main festivals of Winter Season – Lohri, Makarsakranti, Republic Day, Maha Shivratri, Basant Panchami and Holi etc
- 2) Significance of these festivals and how they are celebrated
- 3) Stories based on these festivals
- 4) Creative activities related to these festivals

IT CORNER

Introduction to Text Tool in Paint and Keyboard

CREATIVE & EXPRESSIVE ART CORNER

Art & Craft

1. Object Drawing
2. Drawing on a given topic
3. Collage making
4. Craft with tissue paper
5. Paper Folding

Music

1. Singing rhymes and songs

Dance

1. Dancing to different beats and rhythms

Role-play and Dramatization

HYGIENE AND NUTRITION

'Friday Specials', 'Fruit Break' and 'Table Manners' to inculcate healthy and good eating habits

Personal Grooming for Personality Development

VALUE BASED EDUCATION

1. Various activities like story telling and dramatization to inculcate habit of sharing and greeting
2. Value based movies from School Cinema
 - a. The Tortoise and the Hare
 - b. The Crow and the Pitcher
 - c. The Lamb who Cried Wolf

Follow up activities, worksheets and discussions based on the movies shown
Activities and worksheets from the CBSE Value Education Kit

PHYSICAL EDUCATION

Participation in outdoor activities and games

CO-CURRICULAR ACTIVITIES

As and when organised in the school.

Related work in work books will be done in all subjects. Creative and interesting Work sheets will be designed to enhance their knowledge. Educational e-modules and the Interactive Board will be used to reinforce what has already been taught in the class for various concepts. Related Field Trips, where ever possible would also be planned.

We will do various hands on learning activities, play fun filled games, undertake investigation and demonstrations to make our students joyful learners.

Subject to change depending upon the prevailing circumstances.

School - Home Connection Thematic Mapping Grade II

Jan - Mar 2023
(2022-23)

Unit 3

Words

AIMS & OBJECTIVES

LANGUAGE SKILLS

To develop the ability to

1. speak, understand and frame meaningful sentences.
2. understand and use new words.
3. use adjectives appropriately.
4. describe pictures.
5. read new material.
6. speak a few sentences on a given topic .
7. learn few more words phrases and sentences in a foreign language and use them in daily conversation.
8. spell 'r' controlled vowels and rhyming words.

COGNITIVE SKILLS

To develop the ability to

1. understand the concept of Division.
2. understand the concept of Fractions.
3. understand the concept of Time.

EVS (Knowledge and Understanding of the World)

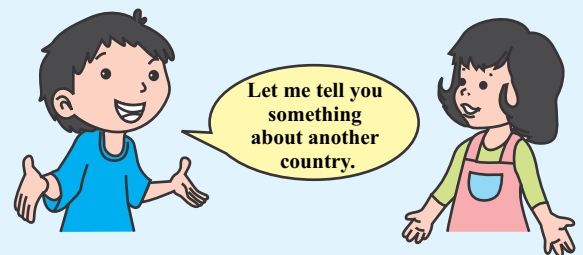

To enhance

1. the power of observation.
2. interest in surroundings and environment.
3. interest in group discussions and activities.
4. awareness about a country.

THINKING SKILLS

To develop and enhance

1. good memory skills.
2. the ability to think logically and apply the knowledge gained.
3. the ability to solve problems.

IT SKILLS

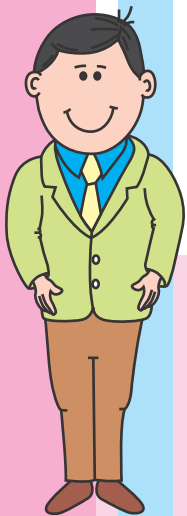

To develop and enhance

1. awareness about different tools in MS Paint.

CREATIVE AND EXPRESSIVE ART

To further develop

1. interest in art and craft activities .
2. the ability to draw and colour showing creativity and imagination.
3. the ability to create objects from the given material.
4. the qualities of observation, imagination and self expression.
5. the ability to follow tune and rhythm while singing and dancing

HYGIENE AND NUTRITION

To develop

1. good eating habits
2. awareness on self grooming

VALUE BASED EDUCATION

To develop the ability to

1. be aware of general hygiene.
2. inculcate good eating habits.
3. instil basic values like respecting elders, helping the poor, sharing etc.
4. know about important festivals and days i.e. Lohri, Makar Sakranti, Republic Day, Basant Panchmi, Maha Shivratri and Holi etc.

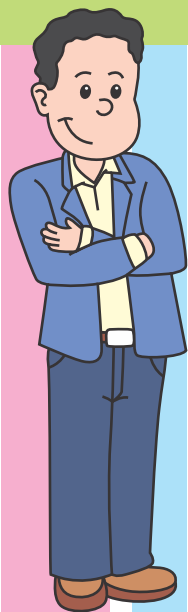

PHYSICAL EDUCATION

To develop

1. body control during exercises.
2. the ability to do balancing activities

LEARNING CORNERS

LANGUAGE CORNER

English (Learning Language Book-3)

1. General conversation and discussions in class
2. Learn new words and sentences through sight reading and word games
3. Frame sentences using the new words learnt
4. Use Adjectives appropriately
5. Do Picture Description
6. Dramatize stories
7. Use of vowels with 'r' and Rhyming words
8. Games to reinforce the concepts taught
9. Learning Language Stories
10. Show and Tell : To develop Speaking Skills

Hindi

भाषा ज्ञान : अध्ययन पुस्तिका 3

पाठ : 1-5 पृष्ठ संख्या (3-12) (13-72)

व्याकरण : विशेषण, सर्वनाम, चित्र लेखन, पर्यायवाची, विराम चिह्न, क्रिया

गतिविधियाँ : Word Antakshari, Sentence Building etc.

Foreign language class

Simple courtesies in French like – Je suis desole (I am sorry), Bon effort (Good effort), Bon courage (Good luck) and recap of all the words/phrases and numbers done in Units I and II

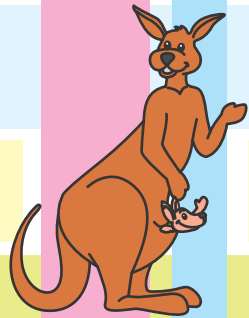

COGNITIVE CORNER

Math Magic Book - 3

1. Division

Thematic Mapping
January - March 2023
Unit - III
Grade - 3
2022-2023**

AIMS & OBJECTIVES

LANGUAGE SKILLS

To develop the ability to

- comprehend stories and poems.
- converse fluently and effectively.
- use general grammar.
- appreciate the literary aspect of the language.

COGNITIVE SKILLS

To develop the ability to

- understand the concept of Fractions.
- understand the concept of Geometrical Shapes.
- understand the concept of Quantity with the help of Pictographs.

E.V.S

A. Scientific Concepts

To know about

- Air, Water and Weather
- The Companions of Earth
- The Earth

B. Social Concepts

To know about

- Our India - other cities
- Our ancestors

CREATIVE AND EXPRESSIVE ART

To develop :

- an interest in art and craft activities.
- the ability to draw, showing creativity and imagination.
- the ability to create objects from the given material.
